

Welcome to the 2010 Nordic Knitting Conference at the Nordic Heritage Museum in Seattle, Washington.

Meet fellow knitters and enjoy classes and lectures focused on a variety of Nordic knitting techniques, taught by experts from Scandinavia and the United States.

The conference will take place in Seattle, October 15-17, 2010, with classes throughout the weekend. Join us Saturday night for a banquet and keynote speech by Nancy Bush.

Registration

Registration opens on Monday July 5th, 2010, and will be mail-in only, on a first-come, first-served basis. The registration form is available online, or you may call the Museum and we will mail you one. The registration process is a lottery. Registrations are collected, sorted, and processed by postmark date and all the registrations with the same postmark date are randomly entered into the computer. Registrations received before July 5 will be considered a July 5 postmark. Be aware that some classes may fill up quickly. While a July 5 postmark gives you a better chance of getting into your first choice, it doesn't guarantee it. You will receive a confirmation of your registration with further instructions once we start the registration process.

All classes and instructors are subject to change without notice. Classes will be cancelled if minimum enrollment is not met.

The museum website is: www.nordicmuseum.org

Cost

Conference registration is \$35 for members of the Nordic Heritage Museum, \$40 for non-members. Classes are \$110 for full day (6 hours) or \$60 for half day (3 hours).

The special Saturday night banquet and lecture is \$35. It is possible to go to the banquet without being enrolled in the conference.

Since the Museum is in a residential area, we encourage you to either bring your own lunch or order a boxed lunch through the Museum. Catered boxed lunches can be ordered for \$12.

Vendors

We will feature vendors on the 2nd floor of the museum.

Class Materials Fees

Many classes will list a materials fee. This is paid directly to the instructor at the time of the class, and pays for handouts, materials, etc., that the instructor will provide.

Waiting List

We hope that the schedule provided will offer opportunities for everyone to take classes and learn something new. However, we may not be able to accommodate everyone. In order to provide adequate assistance, each instructor sets a maximum number of students that she feels comfortable working with.

We will create a waiting list of 5 students for each class, so that if a student is unable to attend another may take their place. Students on the waiting list will be billed as if they were enrolled; refunds will be issued after the conference is over. Please remember to provide your phone number so that we can contact you quickly in case of an opening.

Please note on your registration form if you do not wish to be on any waiting lists.

Cancellation Policy

Full refund (minus registration fee) will be given until September 3. A half refund (minus registration fee) will be given until September 17. No refunds will be given after September 17.

Class Schedule
