## School Group Visit Information

- We offer two different school group visit experiences.
- Nordic Immigration Experience
  - Our Nordic Journeys Immigration Program consists of two parts. Students will take part in a guided, cooperative game that explored the Nordic immigration experience, and will also go through our permanent exhibition, Nordic Journeys, with a thematic guide. Each section of the program takes approximately 45 minutes.
- Nordic Journeys Guided Tour
  - This general tour of our Nordic Journeys permanent exhibition will introduce your students to 12,000 years of Nordic and Nordic American history. Topics that may be covered include: Vikings and Norse Mythology, Nordic immigration in the 19<sup>th</sup> century, Nordic architecture and design of the 20<sup>th</sup> century, and more.
- The cost of these programs is \$120 for up to 30 students for the Nordic Immigration Experience. For the guided tour, it is \$80 for up to 30 students. Chaperones are free. Contact Kate Dugdale for questions.

**Please send completed forms to Kate Dugdale at [kated@nordicmuseum.org](mailto:kated@nordicmuseum.org)**
